## 2. Museum Facilities

### Parking

Free parking for cars and coaches outside the Museum between 10.00am and 4.00 pm.

### Lunch

At present there is nowhere to eat or drink inside the Museum. We do have a pleasant garden for visitors to eat, drink and relax in, weather permitting.

### Museum Shop

We sell inexpensive gifts for young people (pencils, rubbers, Jewish themed toys) along with learning resources that are ideal for teachers to use in follow-up lessons. The average spend per pupil is £2 and money raised from the shop helps support the Museum.

### Special Needs

We are experienced in dealing with groups with special needs or individual students. Please inform us if there are students who require extra support in any way.

### Disabled Access

The Museum has an audio guide for the visually impaired. There is wheelchair access to the ground floor of the Museum via a ramp at the left hand side door. Unfortunately there is no wheelchair access to the permanent gallery.
